- The Common Law reflects the Laws as recorded in the group of books commonly referred to as the Holy Bible and is verified by Sir William Blackstone in his published *Commentaries* which were instrumental to the founding Fathers in the framing and establishing of American jurisprudence.
- The past and present so-called Monarchs of Great Britain must swear a corporeal oath and thereby contract to uphold and defend the laws as recorded in the letter patent, the 1611 King James Bible, as well as the Common Law.

- There are references to a higher jurisdiction in the Declaration of Independence including but not limited to the Laws of Nature and of Nature's God endowed by their Creator with certain unalienable Rights appealing to the Supreme Judge of the world for the rectitude of our intentions with a firm reliance on the protection of Divine Providence.
- The Oaths of Office are clear regarding the adherence to the Constitution when taking an oath of office and entering on the Execution of his Office. Article II, Section I, last clause: The President "promises to 'preserve, protect and defend the Constitution'". Article VI, Clause III: "The Senators and Representatives before mentioned and the members of the several state legislatures, and all executive and judicial officers, shall be bound by oath or affirmation, to support this Constitution; but no religious test shall ever be required as a qualification to any office or public trust under the United States."
- For any Respondent who has sworn an oath of office to support and/or defend the United States of America Constitution, **I hereby accept that oath of office.**

#### **Numbers Chapter 30 verses 1-2**

"<sup>1</sup> And Moses spake unto the heads of the tribes concerning the children of Israel, saying, This is the thing which the Lord hath commanded. <sup>2</sup> If a mans vow a vow unto the Lord or swear an oath to bind his soul with a bond; he shall not breake his word, he shall do according to all that proceedeth out of his mouth."

#### **Leviticus Chapter 5 verses 3-5**

"<sup>3</sup> or if he touch the uncleanness of man, whatsoever uncleanness it be that a man shall be defiled withal, and it be hid from him; when he knoweth of it, the he shall be guilty. <sup>4</sup> Or if a soul swear, pronouncing with his lips to do evil, or to do good, whatsoever it be that a man shall pronounce with an oath, and it be hid from him; when he knoweth of it, then he shall be guilty in one of these. <sup>5</sup> And it shall be, when he shall be guilty in one of these things that he shall confess that he hath sinned in that thing:"

When Congress makes a law which is outside the scope of its enumerated powers, it is no "law" at all but is **void**, and American **men and women have no obligation to comply**. Alexander Hamilton says this repeatedly in the Federalist Papers. Here are a few examples:

"...If the federal government should overpass the just bounds of its authority and make a tyrannical use of its powers, **the people, whose creature it is, must appeal to the standard they have formed, and take such measures to redress the injury done to the Constitution as the exigency may suggest and prudence justify...**"  
Federalist No. 33, 5<sup>th</sup> Paragraph.

"...acts of... (the federal government) which are NOT PURSUANT to its constitutional powers... will (not) become the supreme law of the land. **These will be merely acts of usurpation, and will deserve to be treated as such...**"

Federalist No. 33, 6<sup>th</sup> paragraph

"...every act of a delegated authority, contrary to the tenor of the commission under which it is exercised, is void. **No legislative act ... contrary to the Constitution can be valid.** To deny this, would be to affirm ... that men acting by virtue of powers may do not only what their powers do not authorize, but what they forbid."

Federalist No. 78, 10<sup>th</sup> paragraph

This is an Affidavit Notice of Liability Regarding a Trespass Fee Schedule and Remedy for Protection from Federal / State / County / City / Municipal / Corporation Employees, individuals and agents. I, **Carmelita-Marie: Jennings-Williams<sup>SM</sup>**, holder of the office of the People in the state known as Illinois or in any other state are hereby, as a gesture of peace, giving proper notice to the **STATE OF ILLINOIS** or any state / corporation, to the **UNITED STATES CORPORATION**, and to **all municipal, county and city corporations and other STATE Corporations** of the following:

As a peaceful natural person desiring to avoid conflict and live lawfully with all of my freedoms, I am providing you with this **Fee Schedule and Remedy for Protection from Federal / State / County / City / Municipal / Corporation Employees, agents, and individuals** as a courtesy to you and as a remedy should you decide to trespass upon Me or our Family. Failure to know or obey any/all of your thousands of corporate regulations does not constitute a crime absent a victim, damaged property, or fraud, A.K.A. **corpus delecti**.

If you should face a jury, you should know that the jury has sworn duty to judge the Law and the facts, and the jury can provide just remedy for the People. In every criminal prosecution, it is necessary to establish the "**corpus delecti**" (i.e., the body or elements of the crime).

"The corpus delecti consists of two elements- namely, (1) the injury or loss of harm; and (2) a criminal agency causing them to exist." (People v. Frey, 165 Cal. 140, 146 [131 P. 127]. People v. Lopez, etc.)

Please note that this self-defense Notice of Fee Schedule and Remedy for Personal Protection from Federal / State / County / City / Municipal / Corporation Employees is just and modest and well below the precedent set by *Trezevant v. City of Tampa* wherein the damages established were \$25,000 for 23 minutes of unlawful arrest. This particular remedy calculates to more than \$1.8 million per day. Here is my Fee Schedule for all trespasses to be considered by a lawful jury of the People. Lawyer fees and other fees (including applicable late fees) are not included in the following Fee Schedule:

The Unites States Supreme Court has stated the following in "**U.S. v. Cruikshank**" (92 U.S. 542 at 551):

"...between the People of the United States, any resident within any state, or any other national that there need be no conflict between any of them. The powers which one possess, the other does not. They are established for different purposes and have separate jurisdictions. Together, they make one whole and furnish the People of the United States with a complete government, ample for protection of all of their rights at home and abroad. It may sometimes happen that a "person" is amenable to both jurisdictions for the same act. It is the natural consequence of a citizen which owes allegiance to two sovereignties and claims protection from both."

The citizen cannot complain because he/she has voluntarily submitted themselves to such a form of government. The opinion in this case is 100% correct as long as one is referring to the People of the United States.

**Not me or anyone from my family is of the UNITED STATES. We are of God, the Almighty Creator.**

Let it be clear that a People is not a person, and a person is not a People. True sovereignty is within the People who have all private rights, but citizens, on the other hand, are subjects (by their own voluntary choice) of the state government and of local and federal government corporations in exchange for privileges and civil rights.

Let it be clear that I am not a person / citizen / employee / subjects of any corporation which cannot, under color of law, act as a lawful government. Let it be clear that we have only one Sovereignty, and that Sovereignty is God.

#### **LAW OF NATURE**

The Law of Nature is that which God, the Sovereign of the world, has prescribed to man not by any formal promulgation but by the internal dictate of reason alone. It is discovered by a just consideration of the agreeableness of human actions to the nature of Man, and it comprehends all the duties which we owe either to the supreme being, to ourselves, or to our neighbors as reverence to God, self-defense, temperance, honor to our parents, benevolence to all strict adherence to our engagements, gratitude, and the like. In the Constitution for the United States of America, we find the 11<sup>th</sup> article, Amendment 9: "The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the People." Affected parties and people wishing to dispute the claims and truths made herein or to make their own claims upon Me must respond within **twenty-one (21) days** after service of this Notice of the action and request a Common Law court to empanel a Common Law Jury of twenty-five (25) indigenous free men to hear their case against Me. All responses must be signed and witnessed no later than **twenty-one (21) days** from the date of original service as attested to by way of certificate of service.

Failure to notify me and/or failure to register a dispute against this Lawful Notice made herein will always result in an automatic default judgment and permanent, irrevocable estoppel by acquiescence, barring the

bringing of charges under any statute / regulation / act / code or legal action against Me, my family, or another People. Failure to honor this lawful Notice will make each of the People acting as federal / state / county / city / municipal / corporation employees liable for the sum of twenty-five (25) ounces of .999 pure gold or its equivalent in Federal Reserve Notes plus my fee schedule, and such sum will be required to be paid to Carmelita Marie Jennings-Williams upon your receipt of the Invoice and by its assigned due date. I, the undersigned affiant and attorney in fact for CARMELITA MARIE JENNINGS-WILLIAMS<sup>™</sup> authorize this affidavit using my autograph as his own on this instrument.

It is against the law for a Judge to summarily remove, to dismiss, to dissolve, or to diminish a Commercial Lien. Only the Lien Claimant or a Jury can dissolve a commercial lien.

**Trespass Upon Private Contract**

Any collateral attack on this Contract is in bad faith and is a criminal trespass payable as prescribed in the above-stated Notice of Fee Schedule.
