IMPORTANT – READ CAREFULLY

The people's Affidavit shall serve as *prima-facie* evidence of this matter. The Cause of Action to sue you is brought under authority of Public Law 92-500 Federal Water Pollution Control Act Amendments of 1972, Sec. 2., Sec. 505 CITIZEN SUITS, (a); and, as a lawfully commissioned official having federal jurisdiction and a duty of enforcement, and to issue compliance orders. [Cf. 33USC1319(a)]. If your interstate agency (*your insurance company and bank are liable* [Cf. 33USC1370]) fails to settle this claim or you fail to act with confirmation of your intent to settle this claim and comply, you agree the court may proceed in equity to judgment against you for [imminent] personal injury as claimed.

"Sec. 309 subsection (d) Any person who violates section **301, 302, 306, 307, or 308** of this Act, or any permit condition or limitation implementing any of such sections in a permit issued under section **402** of this Act ..., **shall be subject to a civil penalty not to exceed \$60,000.00** (CPI adjusted) **per day of such violation.**" (unlawful acts since July 1, 1973) [Emphasis added]

NOTICE TO CEASE AND DESIST

You are **ORDERED** to **CEASE and DESIST** your unlawful discharges of pollution! (See Sec. 505(f))

WHAT TO DO

First, take this Claim to the insurance company and bank that authorized a Certificate of Occupancy for your Real property(s) operating in non-compliance with the federal health and welfare law, to settle. Pursuant to Public Law 92-500, Sec. 2., sec. 510, since July 1, 1973, all interstate agencies were congressionally mandated to adopt and enforce standards and limitations required to eliminate discharges of pollutants from your home and business locations, but failed to do so. They have been derelict in their duty of care to you.

Alternatively, if your interstate agencies don't settle the Claim, then the person who is the owner or operator of said Real property(s) (the source(s) of your unlawful discharge of pollution) are liable and lawfully required to settle the Claim. For all violations, you must answer by mail (not in person) to the 'Answer to Address' provided by Jurat on front of Claim within 30 days of date mailed and do one of the following:

- Pay full amount of civil damage claim; or
- Answer to Proof of Service address of your wish / intent to settle this Claim; or
- Provide proof that you are operating in compliance with Sec. 301, 306, and 307 by presentment of your **'401 Certificate of Compliance'**. (See Sec. 401)

If you do not do one of the above, then you agree to this Claim and for the court to proceed to award a "final judgment" against you and in favor of the people and for the restoration of the environmental peace.

1. If you do NOT provide proof of your compliance

(Pay the amount of Claim) You, or your insurance company and or bank, must send a certified letter postmarked no later than five (5) days prior to the expiration of the thirty (30) day notice period to the address provided on the 'Answer to Address' on FRONT, expressing your desire to settle this matter prior to the award of a final judgment. Upon receipt of your letter expressing a good faith desire to settle, you will be contacted by a court authorized Environmental marshal or their appointee to with settlement options. Your credit should not be effected upon successful settlement of this matter.

Notice – Regardless of the outcome of this matter, you will need to make arrangements to correct the unlawful discharge violation(s) within two (2) years [Cf. 33USC1317(e)] to avoid an indictment against you for acts of environmental terrorism. Upon correcting the violation(s), the Certified Installer, who did the installation of the qualified BADCT to bring you and your Real property source(s) of unlawful discharge of man-made/induced pollution into the deeded easements, or a marshal or designee may execute an Affidavit of Compliance, having a copy of the Claim attached, and deliver original copies of said Affidavit of Compliance to the Clerk of the Environmental Court.

WARNING: Failure to come into compliance (or have made good faith efforts to come into compliance) within this 2 year time period may justify an additional Claim to be brought against you for double the amount of the civil damages of this current Claim, as provided for by law.

2. If you fail to act to settle this claim, your silence is your admission to the Claim

This suit is a constitutional tort action for damages. Upon your failure to act to deny and rebut this claim within thirty (30) days, you agree your silence as admission to all claims shall be accepted as *qui non negat fatetur*, a Maxim of Law that means "he who does not deny, admits."

Accordingly, if you fail to act to deny and rebut this claim, you have lawfully admitted to the claims made against you, all parties are in agreement, and the court shall proceed to award judgment in favor of the people for relief, damages, and all other due equitable remedy as the court so orders.

- Make check/cashier's check payable to **Environmental Court**.
IMPORTANT: Write the Claim number on your check, or cashier's check.
- You may pay by USPS *Priority Mail* to Clerk of the Environmental Court, care of 'Answer to Address' on FRONT. A bank-to-bank transfer may also be arranged.
