As a peaceful man desiring to avoid conflict and live lawfully, with all my freedom. I am providing you with this Fee Schedule and Remedy for personal protection from Federal/State/County/City/Municipal/Corporation Employees as courtesy to you and as a remedy should you decide to trespass upon me or my family. Failure to know or obey of your Thousands of Corporate regulations does not constitute a crime absent a victim or damaged property or fraud(CORPUS DELECTI)

If you should face a jury, you should know that the jury has the duty to judge the Law and the facts and the jury can provide just remedy for the People. In every prosecution for crime it is necessary to establish the "CORPUS DELECTI", I.e, the body or elements of the crime. "People V. Lopez, "The Corpus Delecti consists of two elements, namely, (1) the injury or loss of harm; and (2) a criminal agency causing them to exist. Please note that this self defense notice of Fee Schedule and Remedy for personal protection from Federal/State/County/City/Municipal/Corporation employees is just and modest and well below the precedent set by Trezevant V City Tampa wherein the damages established were 25,000 for 23 minutes of unlawful arrest!

This particular remedy calculates to more than 1.5 million per day! Here is my modest Fee Schedule for basic trespass to be considered to be considered by a lawful jury of People/Freemen Lawyer fees and other fees not included in this Fee Schedule.

This lawful paper is to be honored by the People of the Fifty (50) States and the People of The United States for the protection of the People on the land known as any of the Fifty(50) States which make up the union known as The United States Of America. This lawful paper must be honored

in any court within any of the Fifty States which make up the union known as The United States Of America

The United States Supreme Court has Stated, 92 US 551 "US V Cruikshank" The People of The United States resident within any State, and the other national; but there need be no conflict between the two. The powers which one possesses the other does not. They are established for different purposes, and have separate jurisdictions. Together they make one whole and furnish The People Of The United States with a complete government, ample for the protection of all their rights at home and abroad. True, it may sometimes happen that a person is amenable to both jurisdictions for the same act. It is the natural consequence of a citizen which owes allegiance to two sovereignties and claims protection from both

The citizen cannot complain, because he has voluntarily submitted himself to such a form of government "(This opinion in this case is 100% Correct as long as one is referring to the People of The United States". Not I or my women or my son's or daughters are not of the United States, We are of Yahweh. Let it be clear that a people is not a person; and a person is not a people. True Hebrew Sovereignty is within the People people who have all rights, but citizens on the other hand are subjects, by choice ,of the State government and Local government corporations and Federal government corporations, in exchange for privileges/rights. Let it be clear that not I or any people of my family is a Person/Citizen/Employee/Subject of any corporation which may under color of Law, act as a legal government. Let it be clear that we have only one Sovereignty and that Sovereignty is god.

LAW OF NATURE

In The Constitution For The United States we find the 11th article, Amendment 9, "The Enumeration in the constitution of certain rights, shall not be construed to deny or dispargue others retained by the people"
