**AFFIDAVIT OF OBLIGATION
COMMERCIAL LIEN
(This is a verified, plain statement of fact)**

Maxims:

1. A maxim is so called because its dignity is chiefest; its authority is the most certain and because it is universally approved by all.
2. All men and women know that the foundation of law and commerce exists in the telling of the truth, the whole truth, and nothing but the truth.
3. Truth as a valid statement of reality is sovereign in commerce.
4. An un rebutted affidavit stands as truth in commerce.
5. An un rebutted affidavit is acted upon as the judgment in commerce.
6. Guaranteed—All men shall have a remedy by the due course of law. If a remedy does not exist or if the existing remedy has been subverted, then one may create a remedy for themselves and endow it with credibility by expressing it in their affidavit. (Ignorance of the law might be an excuse, but it is not a valid reason for the commission of a crime when the law is easily and readily available to anyone making a reasonable effort to study the law.)

7. All corporate government is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses, hence, governments cannot exercise the power to expunge commercial processes.
8. The Legitimate Political Power of a corporate entity is absolutely dependent upon its possession of Commercial Bonds against Public Hazard, because no Bond means no responsibility, means no power of Official signature, means no real corporate political power, means no privilege to operate statutes as the corporate vehicle.
9. The Corporate Legal Power is secondary to Commercial Guarantors. Case law is not a responsible substitute for a Bond.
10. Municipal corporations which include cities, counties, states and national governments have no commercial reality without bonding of the entity, its vehicle (statutes), and its effects (the execution of its rulings).
11. Except for a Jury, it is also a fatal offense for any person, even a Judge, to impair or to expunge, without a Counter-Affidavit, any Affidavit or any commercial process based upon an Affidavit.
12. Judicial non-jury commercial judgments and orders originate from a limited liability entity called a municipal corporation, hence must be reinforced by a Commercial Affidavit and a Commercial Liability Bond.
13. Governments cannot make unbonded rulings or statutes which control commerce, free enterprise citizens, or sole proprietorships without suspending commerce by a general declaration of martial law.
14. It is tax fraud to use Courts to settle a dispute/controversy which could be settled peacefully outside of or without the Court.
15. An official (officer of the court, policeman, etc.) must demonstrate that he/she is individually bonded in order to use a summary process.
16. An official who impairs, debauches, voids or abridges an obligation of contract or the effect of a commercial lien without proper cause, becomes a lien debtor and his/her property becomes forfeited as the pledge to secure the lien. Pound breach (breach of impoundment) and rescue is a felony.
17. It is against the law for a Judge to summarily remove, dismiss, dissolve or diminish a Commercial Lien. Only the Lien Claimant or a Jury can dissolve a commercial lien.
18. He who is silent appears to consent.
19. Consent makes the law. A contract is a law between the parties, which can acquire force only by consent.
20. Consent makes the law: the terms of a contract, lawful in its purpose, constitute the law as between the parties.
21. To him consenting, no injury is done.
22. He who consents cannot receive an injury.
23. The agreement of the parties makes the law of the contract.
24. The contract makes the law.
25. Agreements give the law to the contract.
26. The agreement of the parties overcomes or prevails against the law.
27. It is immaterial whether a man gives his assent by words or by acts and deeds.
28. Ignorance of facts excuses, ignorance of law does not excuse.
29. In law, none is credited unless he is sworn. All facts must, when established by witnesses, be under oath or affirmation.
30. A presumption will stand good until the contrary is proved.
31. All things are presumed to be lawfully done and duly performed until the contrary is proved.
32. Notice to agent is notice to principal; notice to principal is notice to agent.

PUBLIC HAZARD BONDING OF CORPORATE AGENTS. All officials are required by federal, state, and municipal law to provide the name, address and telephone number of their public hazard and malpractice bonding company and the policy number of the bond and, if required, a copy of the policy describing the bonding coverage of their specific job performance. Failure to provide this information constitutes corporate and limited liability insurance fraud (15 USC) and is prim-a-facie evidence and grounds to impose a lien upon the official personally to secure their public oath and service of office.

Allegations:

Allegations arise from the conduct of the LIBELLEES in regards to their conduct.

1. THAT on October 8, 2016 at around 1:38 AM, TOMMY LONG disturbed Me, the Peaceful Inhabitant, without a warrant proving probable cause that the Libellant was in commission of a crime, a violation of the fourth amendment of the Constitution.
2. THAT on that date and at that time, TOMMY LONG violated my fifth amendment rights by demanding that I produce a driver's license by way of duress and threats and without my consent.
3. THAT LIBELLEES then kidnapped Me with a deadly weapon, a violation of my fourth amendment rights.
4. Both LIBELLEES have violated my sixth amendment rights by causing the libellant injury by depriving him of his livelihood without any proof of the allegations.
5. Both LIBELLEES have violated the libellant's copyrighted property by using the artwork of HENRY TYLER SMITH without written permission on the documents that were served upon the libellant on October 10, 2016. The copyright fee for each usage is 15,000 US minted silver eagles. If the fee is not paid by each LIBELLEEE by March 22, 2017, then a late fee of \$100 in US minted silver eagles per calendar day shall be added to the copyright fee until paid in full.

Proof of Allegations:

1. LIBELLEES affirm that HENRY TYLER SMITH is entitled to recover the value of \$75,000 in US minted silver eagles per each violation of Constitutional right. If no timely rebuttal is received, it is AFFIRMED.
2. LIBELLEES affirm that HENRY TYLER SMITH is entitled to recover the value of his gross pay retroactively from the date of suspension plus \$5000 per month in U.S. minted silver eagles until Libellant is rehired. If no timely rebuttal is received, it is AFFIRMED.
3. LIBELLEES affirm that HENRY TYLER SMITH is entitled to recover all fees and/or penalties mentioned in this document. If no timely rebuttal is received, it is AFFIRMED.

NOTICE is hereby given that LIBELLEES have until March 10, 2017 to rebut, to deny, or to otherwise prove invalid the above allegations. Failure to rebut, to deny, or to otherwise prove any allegation invalid will be construed to be failure to rebut, to deny, or to otherwise prove invalid all allegations. The LIBELLEES are required to rebut, to deny or to pay the above mentioned damages on or before 3 / 10 / 2017. Should the LIBELLEES not respond or pay the damages, then the LIBELLEES agree to each pay 100 US minted silver eagles per day until payment is received in full. Any rebuttal must be under notary seal and under penalty of perjury AND under full commercial liability. Each allegation and negative averment which follows in this document must be rebutted with actual physical evidence and if any allegation or negative averment is not addressed, then your response will be considered a non-response and evidence that you agree with everything contained in this document.

Ledgering:

Ledgering in the instant matter is comprised of the value of the damages assessed pursuant to the LIBELLEES:
