Cessante causa, cessat effectus. The cause ceasing, the effect must cease.

Communis error facit jus. A common error makes law. What was at first illegal, being repeated many times, is presumed to have acquired the force of usage, and then it would be wrong to depart from it. The converse of this maxim is communis error no facit just. A common error does not make law.

Consensus facit legem. Consent makes the law. A contract is a law between the parties, which can acquire force only by consent.

This affidavit-declaration of life is given to all to establish, signify, proclaim, and verify the status of this live man and to eliminate/deny all presumptions by any fiction, corporate or private, and any alleged claimed jurisdiction without standing upon the land. UCC-1 No: U230065274330, was recorded Filed on 9/15/23 Secretary of State California.

For as the Creator is the giver of spiritual life and the creator of man in body and form, and whereas man is the creator and giver of life to the paper fiction known as the Person, Corporation, Citizen, and other non-living transmitting entities of fictional nature. Man cannot rule over the creator any more than a created fictional paper entity can rule over its creator the living born Man... “TMCarlos-Ray: Blanco, © true beneficiary of the estate *secured party*,” is a living, corporeal, breathing, live born man with footprints in the sand and therefore is not/cannot be under the jurisdiction of a man created fiction...

Lawyers, Judges, Court Clerks, and all fictional corporate/non-corporeal entities--- When you address birthright Citizens of the Continental United States in the foreign jurisdiction of the Federal United States or that of a Federal State, and deliberately confuse living corporeal people with corporate franchises merely named after them, you commit peonage. This results in press-ganging land assets into the international jurisdiction of the sea, a crime outlawed worldwide for 200 years. Mischaracterizing the identity or citizenship status of a birthright Citizen of the Continental United States is also a crime under the Geneva Protocols of 1949, Volume II, and is in violation of the Universal Declaration of Human Rights (UDHR) a treaty signed in Paris on 10 December 1948 General Assembly resolution 217 A ... Anyone claiming to be a Live born member of the Continental United States having a valid proof of birth within the Continental United States must be treated/recognized as such (A Live Born Man/Woman and not a fiction entity.).

This is to testify and notify all persons, corporations, fictions that the Live born Man TMCarlos-Ray: Blanco, © true beneficiary of the estate *secured party*,” is not and has never freely consented to be the surety of the created fiction or the trustee of the [CARLOS RAY BLANCO] © estate created by and through the Cestui Que Vie Trust Act of 1666 as verified by the fiction entity document known as the “Certificate of Birth” issued by the Federal fiction “State of California” and Registered by the fiction agency created by and subordinate to the fiction State of California. The Live Born Man, rightful Executor of the [CARLOS RAY BLANCO] ©, estate does not, has never, and would never knowingly or by conscious design, give consent to be the surety of the state created fiction in any variation or form.

The 1707 Cestui Que Vie (Act) is indeed a remedy for many people. This (Act) passed in England in 1707, created a legal framework for trusts and estates, including the Cestui Que Vie Trust. The (Act) provides a remedy for me who has been unjustly deemed dead or lost at sea, allowing me the living soul to reclaim my assets and rights. It also establishes the principle that trust can be created for the benefit of a living person, which is a crucial aspect of modern trust law.

I TMCarlos-Ray: Blanco, © true beneficiary of the estate *secured party* hereby declare sound mind and body invoke the 1707 Cestui Que Vie (Act) I hereby challenge fraudulent or unjustly trust arrangements and assert my rights as the beneficial owners of the assets. I declare this remedy to reclaim my rights and assets, and it remains an important part of trust law to this day. I hereby declare all my rights as a natural person under common law. I am the true beneficiary of the estate. Evidence of Life Evidence of TMCarlos-Ray: Blanco, © true beneficiary of the estate Entitled to payment **Form 206**.

This is to notify all persons, Judges, Lawyers, corporations, fictions and/or their representatives: that any and all contracts made without the live man’s knowing and active consent, whereas consent was obtained through subterfuge, coercion, deceit, manipulation, falsifying of the facts, non-disclosure, adhesion, hypothecation, et. cetra; whereas the live man would have normally rejected any unconscionable contract and would not have consented to any such contracts: whereas any and all contracts are hereby declared to be null and void ad infinitum.

Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born

Man: TMCarlos-Ray: Blanco, © true beneficiary of the estate *secured party*.

This physical body that I (the spirit of TMCarlos-Ray: Blanco, © true beneficiary of the estate *secured party*) reside within, given to this one by the great creator of all, reflects the spirit whereas the spirit does not belong to or stand under any earthly corporation, religion, or fictional organization.

Further, this body being of the species currently known as human being or Homo Sapien; however originally created or obtained to house my spirit, does not belong to, or is the property of any earthly corporation, religion, organization, or other species, or any fiction.

This body is the vehicle for the living spirit to operate, interact and interface within this domain and physical dimension and cannot be and is denied being claimed by any fiction, government, religion, corporation, species, *et cetra*.

The combination and temporary unification of my free-living spirit and the free-living body given to me by the creator, constitutes the domain of a free-living corporeal entity upon this created earth.

I TMCarlos-Ray: Blanco, © true beneficiary of the estate *secured party* am a living being with an incorruptible body which is my possession by natural birth and my vehicle during this lifetime upon this earth.

As one spirit can touch another spirit, one body can also touch another corporeal body and all material substances within this created domain. This live spirit and live body unified as one, has standing upon the land as such; when it walks upon the land, physical footprints are left behind proving physical standing against any fiction that has no footprints of standing and can never have footprints of standing upon the land, nor can a fiction without spirit (corporation or court) physically touch or stand in judgment of a Live Born Man intentionally and specifically without his full knowledge and consent.

Know all by these facts:

- A fiction created by a fiction or by other living men does not have a spirit,
- A fiction created by a fiction or by other living men does not have standing upon the land,
- A fiction created by a fiction or by other living men cannot speak,
- A fiction created by a fiction or by other living men does not have claim to the living,
- A fiction created by a fiction or by other living men does not have jurisdiction over the living,
- A fiction created by a fiction or by other living men cannot have jurisdiction or authority over a creator of fiction,
- A fiction by itself is not animated and has no actual life-force of its own as it is a creation of the dead,
- A fiction by itself cannot place an autograph, it cannot reproduce, it cannot breathe, it cannot speak on its own,
- A dead fiction entity can only be created without life therefore it cannot ever be equal or greater than the live born man; in the same way that the spirit of man was created by the one beyond him or his creator, man does not and cannot have control, authority or jurisdiction over his spirit creator. Therefore, a man created fiction cannot have jurisdiction over the live born man.
- No living man can claim or presume superiority, authority, or dominion over another living man as they are equals in standing upon this created earth.
- No other living entity, not created or born of this earth, can presume superiority, authority or dominion over this living man as all living entities are created by the creator and are of equal standing in the eyes of the creator (regardless of their level of technology or biological determination within this plane of existence).
- In like fashion, a fiction therefore cannot presume or assume authority or control over its creator or the living man.
- All presumptions of fictions, statute tribunals, and any other claims are hereby denied, challenged, demurer, embargoed, excluded at this and all times in the present and future.

And...

Let it be announced and acknowledged to the world and all corners of the earth and all jurisdictions of the world, inclusive corporeal and non-corporeal, to take notice: that I, TMCarlos-Ray: Blanco, © true beneficiary of the estate *secured party*; is a living natural born man on October 7th, 1964, Time; 7:08 PM, at Santa Clara County Hospital, San Jose. Having been brought forth into this domain by living natural birth and whose physical body entered this world through my mother, whereas her body came from her mother Ad infinitum; "A die confection is" to the first birth manifested by our creator. That I am the live born son of my live born father who also had standing having been received into and bestowed with the pedigree of the family/clan "**Blanco**" upon this earth. The house/pedigree of **Blanco** is a testament of live born men with standing dating back to the first live born man traditionally known as Adam bestowed with standing and a corporeal body as a gift from our creator.

It is of no consequence that the body may have been created by or through genetic manipulation or manufactured by others in its original form, whereas the spirit that inhabits the body which is what gives the body actual animation and life is that of the creators and cannot be manipulated, subjected, or destroyed by any other than that creator. Whereas a fiction created by man or fiction cannot have or hold a spirit and is indeed a dead thing without any life-force or standing against a live born man.

Let no man or fiction attempt by force, by fraud, by ill-conceived contract, by adhesion, or hypothecation, or by any other despicable means attempt to mask, control, destroy, or subvert this live born spirit/man into unwilling or unknowing consent to give up his spirit-creator given natural freedoms, natural rights, and liberties.
